

# Songs of Love & Hope

A Special Cultural Evening Dedicated to the  
5 Cuban Heroes Held in U.S. Jails.

Featuring live music by Thomas P. Radcliffe

*Thomas P. Radcliffe is an incredible traveling folk artist. He is a Vietnam era American War Resister and Conscientious Objector living predominately in Victoria, BC, but always on the move throughout BC and the U.S. with his musical message of love and peace.*

*All funds raised from the event will be donated to launch our participation in the international campaign to purchase a full page ad in the Washington Post. It will cost over \$60,000 but groups around the world have pledged to make this ad demanding "Free the Cuban 5 Now!" a reality. Join Us!*

**Tuesday, October 19th 7pm**

**JOE'S CAFE - Large North Hall 1150 Commercial Dr. at William St.**

Organized by the Free the Cuban 5 Committee - Vancouver
